

Welcome

to Dansk Specialtransport v/Rørby Johansen A/S. We are a company who make a lot of different transport assignment. It is not only transport assignment we do, also rentals is a part of our services.

No jobs are to big for Dansk Specialtransport, because we have a large machinery to offer any assignment welcome.

As references, we can mention that Dansk Specialtransport have been taken assignments, which has been a large challenge.

Dansk Specialtransport have got a large knowledge and that's why, you always can get a good counseling on any type of transport assignment.

We have a high quality, and this means flexibility, and commitment. Our customers are always in the centre, and there are a high focus on the assignment.

Jørgen Rørby Johansen

There are many drivers in Dansk Specialtransport, and they are known as, loyal, clever and good employees. If they have to, they always, can give extra services.

All in all, this make Dansk Specialtransport one of the most leading company in this area. And there are a good quality control, and focus to keep the high standard, which make Dansk Specialtransport able to give the best services in harmony with the customer's need.
